Hi Charlie,
Working on the Hunt family for a friend and classmate. She has hopes of joining Daughters of the American Revolution on her Hunt line. Her mother was Marie Priscilla Hunt, daughter of William Richard Hunt, son of Moses Hullum Hunt, son of Richard. I was excited to see the pictures you had posted and guessed the circa 1890 pictures was just labeled wrong. There is so much info posted about this Hunt family, but some of it is a bit wrong as you know. Some people had confused the William Richard Hunt that was the son of Moses with another William who lived in the same area. Easy to do. Thanks for the email about the picture.

Mary,

Thanks for your note on one of my family history photos online! I had it labeled wrong! If this was around 1890 it had to be Lucinda, his second wife who did not die until 1917. Priscilla was his first wife who died in 1874 as you said, but it was Priscilla who died then, not Lucinda. Here is what I have in two Hunt Family History books on Moses Hullum Hunt:

Marriage 1, 23 Sep 1861, War Eagle, Madison County, AR to Sarah Priscilla Ogden, born 5 Oct 1839 to David Lawrence Ogden & Lavica Chambliss; died 25 Dec 1874. They had 6 children.

Marriage 2, 2 Jan 1876, Johnson County, AR to Lucinda Ogden, born 11 Aug 1836 to David Lawrence Ogden & Lavica Chambliss; died 15 Mar 1917. They had two children.

Note that they were sisters!

Hope this helps. Sorry I had the photo labeled incorrectly. I think someone in the family told me it was Priscilla.

And how do you fit into Moses Hunt's family? He's my 2nd Great Grandfather with his son Charles my Great Grandfather and my namesake.

Dear Geneva

Just another BUNCH puzzler: John James Bunch was born 1841 in Florida, and went with his parents to La. in 1858. Name of John James' father not known; parents were "going on to West Texas."

This is from Mrs. Merle Bunch Rt. 1, Box 798, Vinton, La. 70668.

I have written to ask her if she has looked at 1860 Census, La.; also, where did he enlist from, in Confederate Army - But I'm a total stranger to Florida!

You mentioned Dora CARTER - she is listed above.
But I don't know who Joseph DAVENPORT is - which daughter married a DAVENPORT?

As regards Lorenzo WARD, the man you say married Dora CARTER in 1892
this may be him?
Age would seem right and location is near where the RILEY/CARTER family was in 1880

HARPERSVILLE
GARDEN OF MEMORIES

The oldest known grave is that of Orpah Moore (1772-1823), consort to Rev. (Doctor) Lemuel Moore. This is the final resting place of American Revolutionary War Patriot William Jennings (1761-1840) and the professed burial site of the Last Creek Indian Chief of the Kewahatchee Tribe, Boz Shepard and his family (c. 1836-37). On January 24, 1964, a devastating tornado destroyed most of the oldest grave markers and killed ten citizens, including five members of the same Kelly family. Thousands of Shelby County's earliest settlers and area residents are buried here.

Bartlesville Examiner-Enterprise / Thursday / 31 Mar 1983 / Page 1
REPORT RELEASED ON SKELETON
Jim Eppler, Washington County undersheriff, announced Wednesday morning the state medical examiner has released a preliminary report on the body found two miles south of the state line, west of old U.S. 75. The skeletal remains were found March 8, 1983 and the Washington County sheriff's office and the state medical examiner's office were called to investigate. According to the state medical examiner's report, "the body is that of a white male, 45 to 60 years old, 5' 5" tall and heavy set.
The man was dressed in a light colored, short-sleeve shirt and dark blue work pants. According to Eppler, over that was a tan colored leisure suit (light jacket and slacks to match) and a checkered sports coat for the outer garment. The man was wearing a black belt and size 10 1/2 B brown cowboy boots. Eppler said the man's upper teeth had gaps which would have been noticeable in a smile. The medical examiner's office said the man had been dead form six months to a year before his body was found, but there was no indication of the cause of death. Eppler said the investigation of the death is still continuing.

NOTE: Found on the body was a railroad pass and plastic packets of shotgun shells.

Burial was on 17 May 1983, by Stumpff Funeral Home of Bartlesville.

Wow - I can't believe how much information has been provided. That is great. As soon as I get the file and review it, I will get him entered into NamUs - the unidentified database. Maybe we can link him to a missing person.

I would just bet he was a transient with no luggage and wearing the only clothes he owned, but the railroad pass and plactic packets of shot gun shells still intrigue me. Was he a hunter and was his shot gun never found ? Did he live in the area of NE Washington Co. or over the line in Kansas....Caney, Coffeyville ?? I still need to read the Bartlesville papers for April 1 through May 17, 1983 to see if any further info is published.

Angela,
I visited with Steve Johnson, Undersheriff of Washington Co. He will have a deputy go to the Washington Co. Courthouse attic and see if any records remain for the 1983 investigation of the body found. He was not too interested in my search.
Also, called Jim Eppler, retired deputy sheriff of Washington Co. who was at the scene and investigated the finding of the deceased male. He told me that the man's body contained mostly bones and skin. It was found near a small bridge over a creek. The water was about knee deep and the department drained the creek and searched for any clues in the area. He remembers the pants on the body, but no other clothing. The items found were taken to the courthouse and filed in the evidence room. Both of the sheriffs, Jack Johnson and Rick Silver who were sheriffs after Glenn Codding and Jim Eppler are now deceased. Mr. Eppler told me that those items surely were in the Washington Co. courthouse and should not have been thrown away.
More later, I hope.

Sheriff Codding said he and Undersheriff Jim Eppler were called to the scene by the Caney Police Department about 9:30 a.m. Tuesday. The remains were found about 1.1 mile south of the state line on old Highway 75 and about 75 feet west. Sheriff Codding said the skeletal remains were clad in men's clothing and a cowboy boot. The remains were lodged under driftwood in knee-deep water, Codding said. Assisted by their deputies, Codding and Eppler

processed the reamins and sent them to the state medical examiner's office in Tulsa for further investigation.
There are no missing person reports outstanding in Washington County, Sheriff Codding said Tuesday afternoon.
The remains were first discovred by a construction worker removing the old Santa Fe railroad tracks south of the state line. He contacted the Caney Police Department and advised them of the location.
Sheriff Codding said no age or size of the victim could be determined at the scene.

Glen Johnston 1939 - 2007

Sadly, my uncle Glen passed away on Tuesday, November 20, 2007, from complications related to congestive heart failure. He was about a month short of his 68th birthday.

Glen had not been in good health for some time; he was a lifelong smoker with a history of heart problems. Nevertheless, his death came as a shock to all of us.

Glen's obituary, which was written by his daughter Laura, ran in last Thursday's *Temple Daily Telegram*, but for some reason is not archived on their obituaries page. In the interests of posterity, I am reprinting it here in its entirety.

Of course, what is unsaid about Glen's life is just as important as what is said in the obit. Glen suffered a severe mental breakdown in the early 1980s, one which essentially erased his memory and caused him to suddenly leave his home and family in Oregon. Glen's whereabouts were unknown to everyone for several months, and we all feared the worst until he finally surfaced in Alabama. Glen's mental state improved with therapy, and he embarked on the herculean - and ultimately successful - task of rebuilding his life from complete scratch while in his 40s. Although we think that PTSD related to his service in Vietnam was a factor, we will never know with certainty what stresses and traumas caused Glen to suffer such a profound psychological calamity. He was an enigmatic person, even to those closest to him, and there are many things about his life that we will never know.

In spite of his life's difficulties, however, Glen Johnston was probably one of the nicest people I will ever know. He was gentle and friendly, had a dry sense of humor and was never judgmental.

To say that this has been a difficult time for my mother's side of the family (they've already suffered one loss this year) would be an understatement. Glen will be missed by all of us.

sure of, the cuts will affect the fourth quarter of the 1982 budget instead of being applied to 1983.

"This puts county governments in a hole, so to speak," Washington County Treasurer Dean Bennett said. "Our last half tax collections are so slow that I am watching with some anxiety any further shortfalls to the 82-83 budget."

The county will lose at least $6,000 from its general fund, County Assessor Elmer Bright said.

"Basically, we are at the mercy of the phone company," Bright said. The county doesn't have the money to fight the issue in the state Supreme Court, he said.

"There is a solution if they choose to cooperate," Bright said. A member of the Board of Tax Roll Corrections, Bright points to two previous precedents in which TRW Reda Pump allowed the county to refund exemptions the company was found to be entitled

to do that?" Nichols said.

Report released on skeleton

Jim Eppler, Washington County undersheriff, announced Wednesday morning the state medical examiner has released a preliminary report on the body found two miles of the state line, west of the old U.S. 75. The skeletal remains were found March 8 and the Washington County sheriff's office and the state medical examiner's office were called to investigate.

According to the state medical examiner's report, "the body is that of a white male, 45 to 60 years old, 5'5" to 5'6" tall and heavy set."

The man was dressed in a light colored, short-sleeve shirt and dark blue work pants. According to Eppler over that was a tan colored leisure suit (light jacket and slacks to match) and a checkered sports coat for the outer garment. The man was wearing a black belt and size 10½ B brown cowboy boots.

Eppler said the man's upper teeth had gaps which would have been noticeable in a smile.

The medical examiner's office said the man had been dead from six months to a year before his body was found, but there was no indication of the cause of death.

Eppler said the investigation of the death is still continuing.

Doctors' Day honors medical profession

Doctors' Day began in 1842 when ether was first used as a general anesthetic. This day was set aside nationally to remember the medical profession for its dedication and commitment to the well-being and health of the public.

The Washington-Nowata County Medical Society presently has 70 practicing physicians in Bartlesville, numerous physicians on the consulting staff from surrounding areas and four family practice residents. Several new physicians have come to Bartlesville during the last year. They include a full-time Emergency Room staff with Dr. George Abatso, director, and Dr. Ann Arey as staff physician. Dr. John Hatchett is a general surgeon. Dr. Mark Cameron is in family practice. Dr. John Smithson Jr. is a neurosurgeon. Dr. Richard Shumacher is an anesthesiologist. Dr. B. J. Krueger is a radiologist. Dr. Lonnie Morris is a psychiatrist.

Dr. Terry Burge is the new director of the Family Practice Residency program. Dr. Randy Pitts, of Tulsa is the associate director. The residents this year include Dr. Mike Bumpus, Dr. Robert Laliberte, Dr. Joel Laughlin, and Dr. Noel Chicoine.

The Medical Society functions as a liaison between the public and the medical community. Monthly meetings are held for the purpose of continuing medical education. During the past year the Society has had speakers from varied fields present programs. The members volunteer and provide over 500 free physical exams for the public school children entering physical education classes, YMCA activities, and for children attending summer camp provided by the Salvation Army. Physicians also volunteer their services when the Red Cross Bloodmobile is in town.

The Womens Auxiliary of the Medical Society also holds monthly meetings and has programs dealing with various aspects of the medical community. The Auxiliary sponsors an annual project to benefit a local charitable organization or the hospital.

Current officers of the Medical Society ar Dr. Charles Holland, president; Dr. Ralph McLaury, president-elect; and Dr. Walter Cochran, secretary-treasurer.

Current officers of the Medical Auxiliary include Mrs. Robert Oliver, president; Mrs. Bruce Brookby, president-elect; Mrs. Robert Craig, first vice-president; Mrs. Jay Bryngelson, second vice-president and treasurer; Mrs. Kyle Stewart, secretary.

SKELETAL REMAINS FOUND IN COUNTY

Skeletal remains were found south of the Kansas State line near old Highway 75 Tuesday morning, according to Sheriff Glenn Codding. Sheriff Codding said he and Undersheriff Jim Eppler were called to the scene by the Caney (KS) Police Department about 9:30 a.m. Tuesday. The remains were found about 1.1 mile south of the state line on old Highway 75 and about 75 feet west.
Sheriff Codding said the skeletal remains were clad in men's clothing and a cowboy boot. The remains were lodged under driftwood in knee-deep water,Codding said. Assisted by their deputies, Codding and Eppler processed the remains and sent them to the state medical examiner's office in Tulsa for further investigation.
There are no missing person reports outstanding in Washington County, Sheriff Codding said Tuesday afternoon.
The remains were first discovered by a construction worker removing the old Santa Fe railroad tracks south of the state line. He contacted the Caney Police Depatment and advised them of the location.
Sheriff Codding said no age or size of the victim could be determined at the scene.

This unidentified male is buried as "John Doe" in Block 6, Lot 83 A, Space 2 in White Rose Cemetery in Bartlesville. Information from the funeral home said that the only items found on the body were plastic packets of shot gun shells and a railroad pass card with no name on the card. Was he a former railroad employee ??

Anyone with any information, please respond to this post.
White Rose Cemetery would like to have a name instead of "John Doe". We are working with the Oklahoma State Medical Examiner's Office in Tulsa to try to find more information as well as the Washington County Sheriff's office.

He told me that the man's body contained mostly bones and skin. It was found near a small bridge over a creek. The water was about knee deep and the department drained the creek and searched for any clues in the area. He remembers the pants on the body, but no other clothing. The items found were taken to the courthouse and filed in the evidence room. Both of the sheriffs, Jack Johnson and Rick Silver who were sheriffs after Glenn Codding and Jim Eppler are now deceased. Mr. Eppler told me that those items surely were in the Washington Co. courthouse and should not have been thrown away.

SPERRY, Okla. (UPI) — Declining oil revenue has prompted the Sperry School District to fire 10 teachers and eliminate three non-teaching positions for the 1983-84 school term.

School officials said Tuesday the school system has lost $200,000 in the past 18 months because of a decrease in Osage County oil production.

Officials said the uncertainty of state school funds is another factor in the financially prompted firings. Sperry currently has 72 teachers.

Nickles predicts action on PIK

WASHINGTON — Oklahoma Senator Don Nickles said Tuesday he is confident that Congress will soon pass legislation to correct problems plaguing the Payment-In-Kind (PIK) crop reduction program.

Nickles, a cosponsor of legislation to aid farmers who participate in the PIK program, predicted quick Senate action on a measure designed to assure that PIK commodities will be treated for tax purposes as if actually grown on the farm. The Senate Finance Committee approved the measure March 2.

Last month, the Internal Revenue Service indicated that under current tax laws it would charge farmers income tax on PIK commodities in 1983, regardless of when or even if those commodities were sold.

The IRS has also issued a statement regarding other agricultural tax rates, including the value of agricultural land in estate.

"The IRS has concluded that participation in either PIK or another USDA paid land diversion program will not change the tax treatment of land idled in order to partici-

SOURCE: History of Benton, Washington, Carroll, Madison, Crawford, Franklin, and Sebastian Counties, Arkansas. Chicago: The Goodspeed Publishing Co., 1889.

Thomas E. Henderson was born in Cass County, Ga., September 7, 1840, and is a son of James and Nancy (Brown) Henderson, natives of the same State. In 1850 the family moved to Sevier County, Ark. After farming four years there they moved to Polk County, where the father died in 1855. The mother died in Franklin County in 1880. Thomas E. grew to maturity in Polk County, on the farm, and during the latter part of 1861 enlisted in the Fourth Arkansas Infantry, Confederate army, under Col. McNair. He served in several minor engagements, and was once taken prisoner, but made his escape in about twenty-four [p.1244] hours. He was discharged for disability about a year after enlisting, and then returned to Polk County, and after his recovery engaged in farming. He was married in that county April 11, 1865, to Miss E. D. Ransom, a native of Alabama, who was reared in Franklin County, and daughter of George Ransom, now deceased, but formerly of Virginia. After his marriage Mr. Henderson farmed a year in Polk County, and then in January, 1866, located in White Oak Township, Franklin Co. He moved upon his present farm in 1873. This place he has cleared and enlarged, and it is now one of the nicest farms in the neighborhood. He lives in a good one-story residence, has two tenement houses and comfortable out-buildings, and devotes about three acres to fruit raising. Mr. and Mrs. Henderson have three children: Maggie, wife of Prof. H. A. Nickell; James W. and Mary E. Both our subject and wife are members of the Cumberland Presbyterian Church, to which all their children belong. Mr. Henderson is an elder in the church and an active worker.

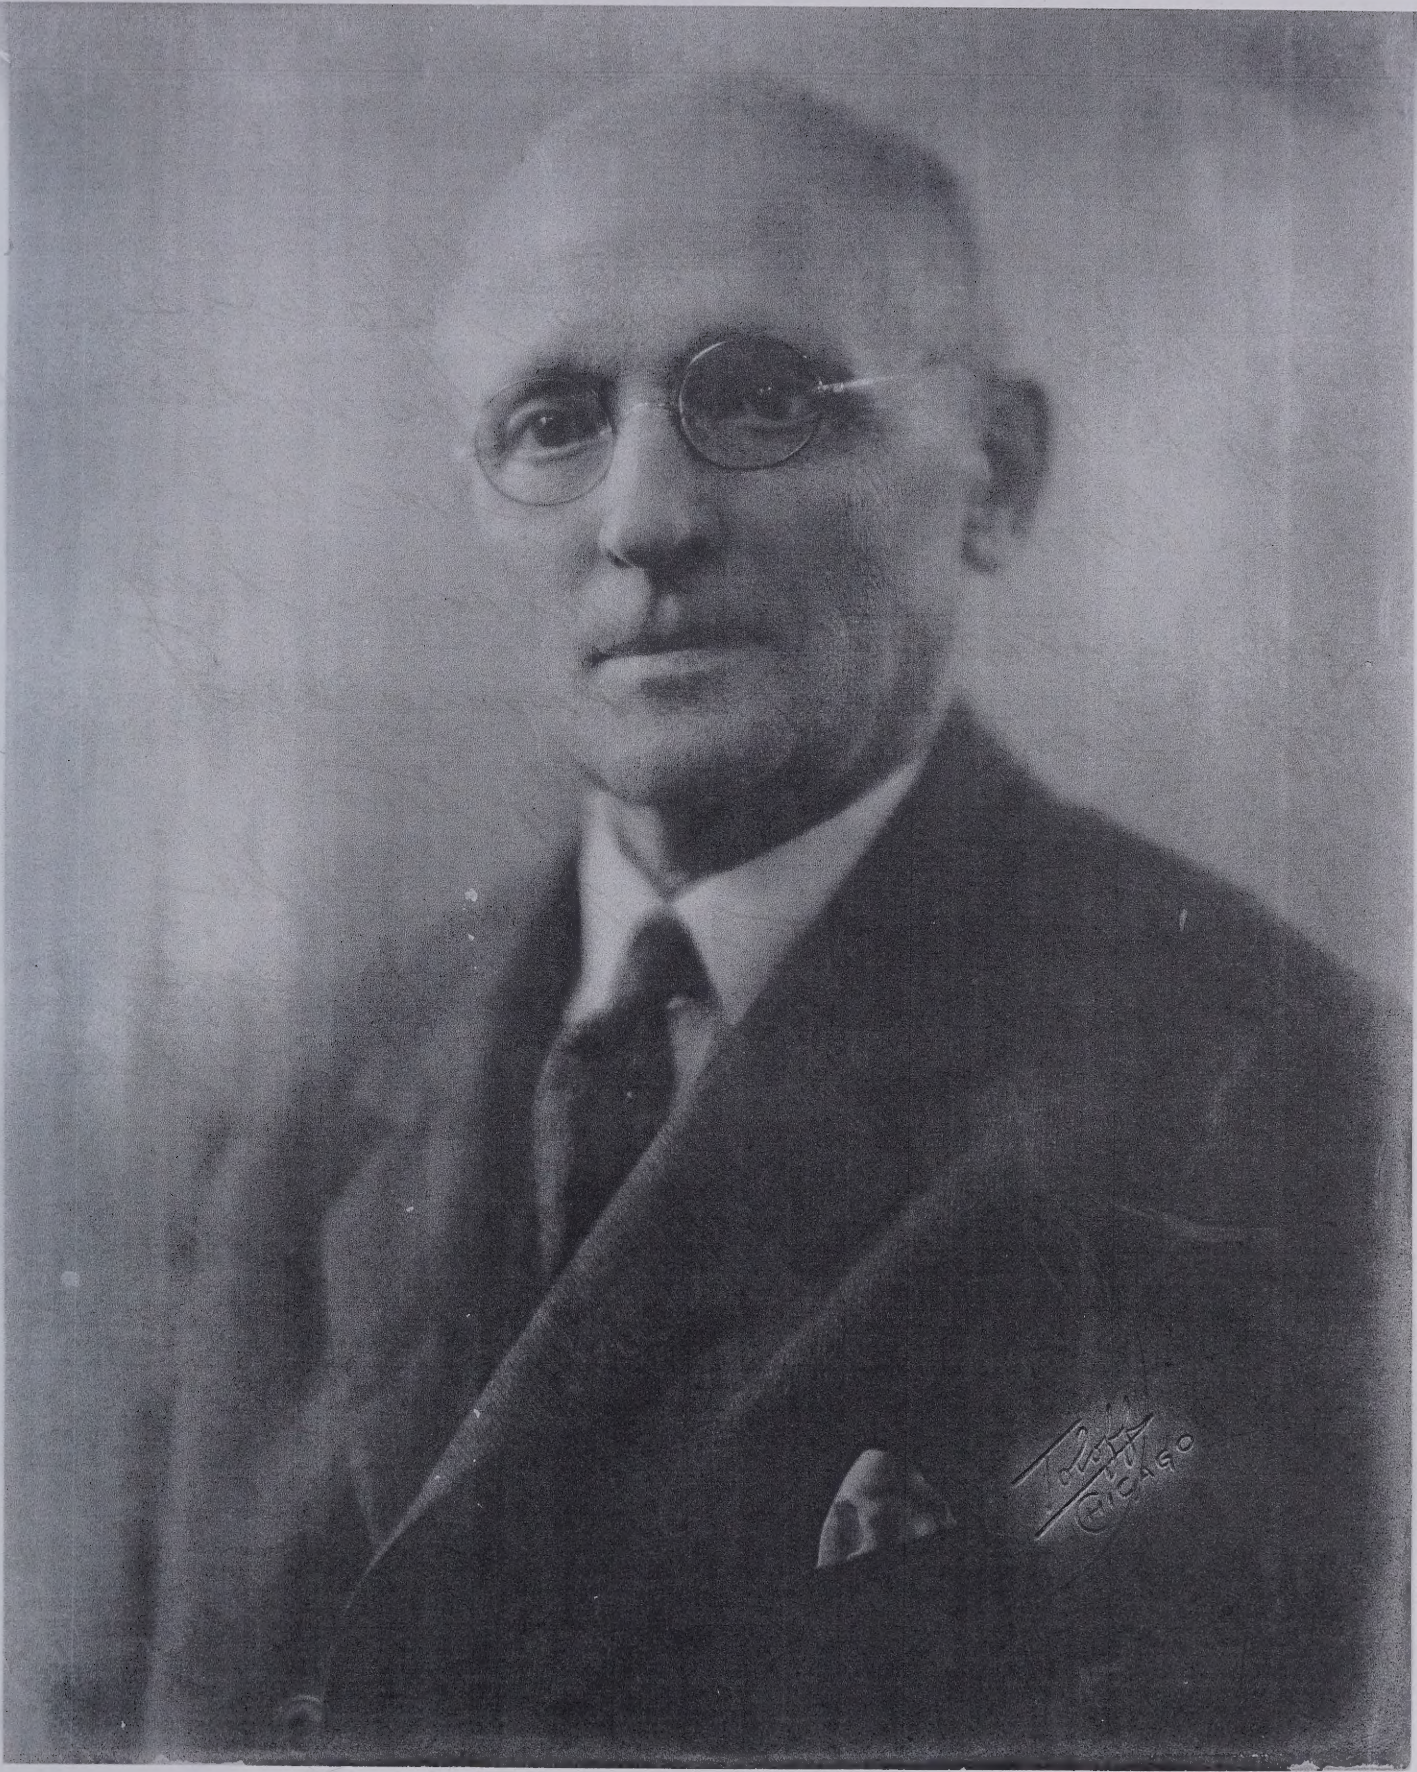
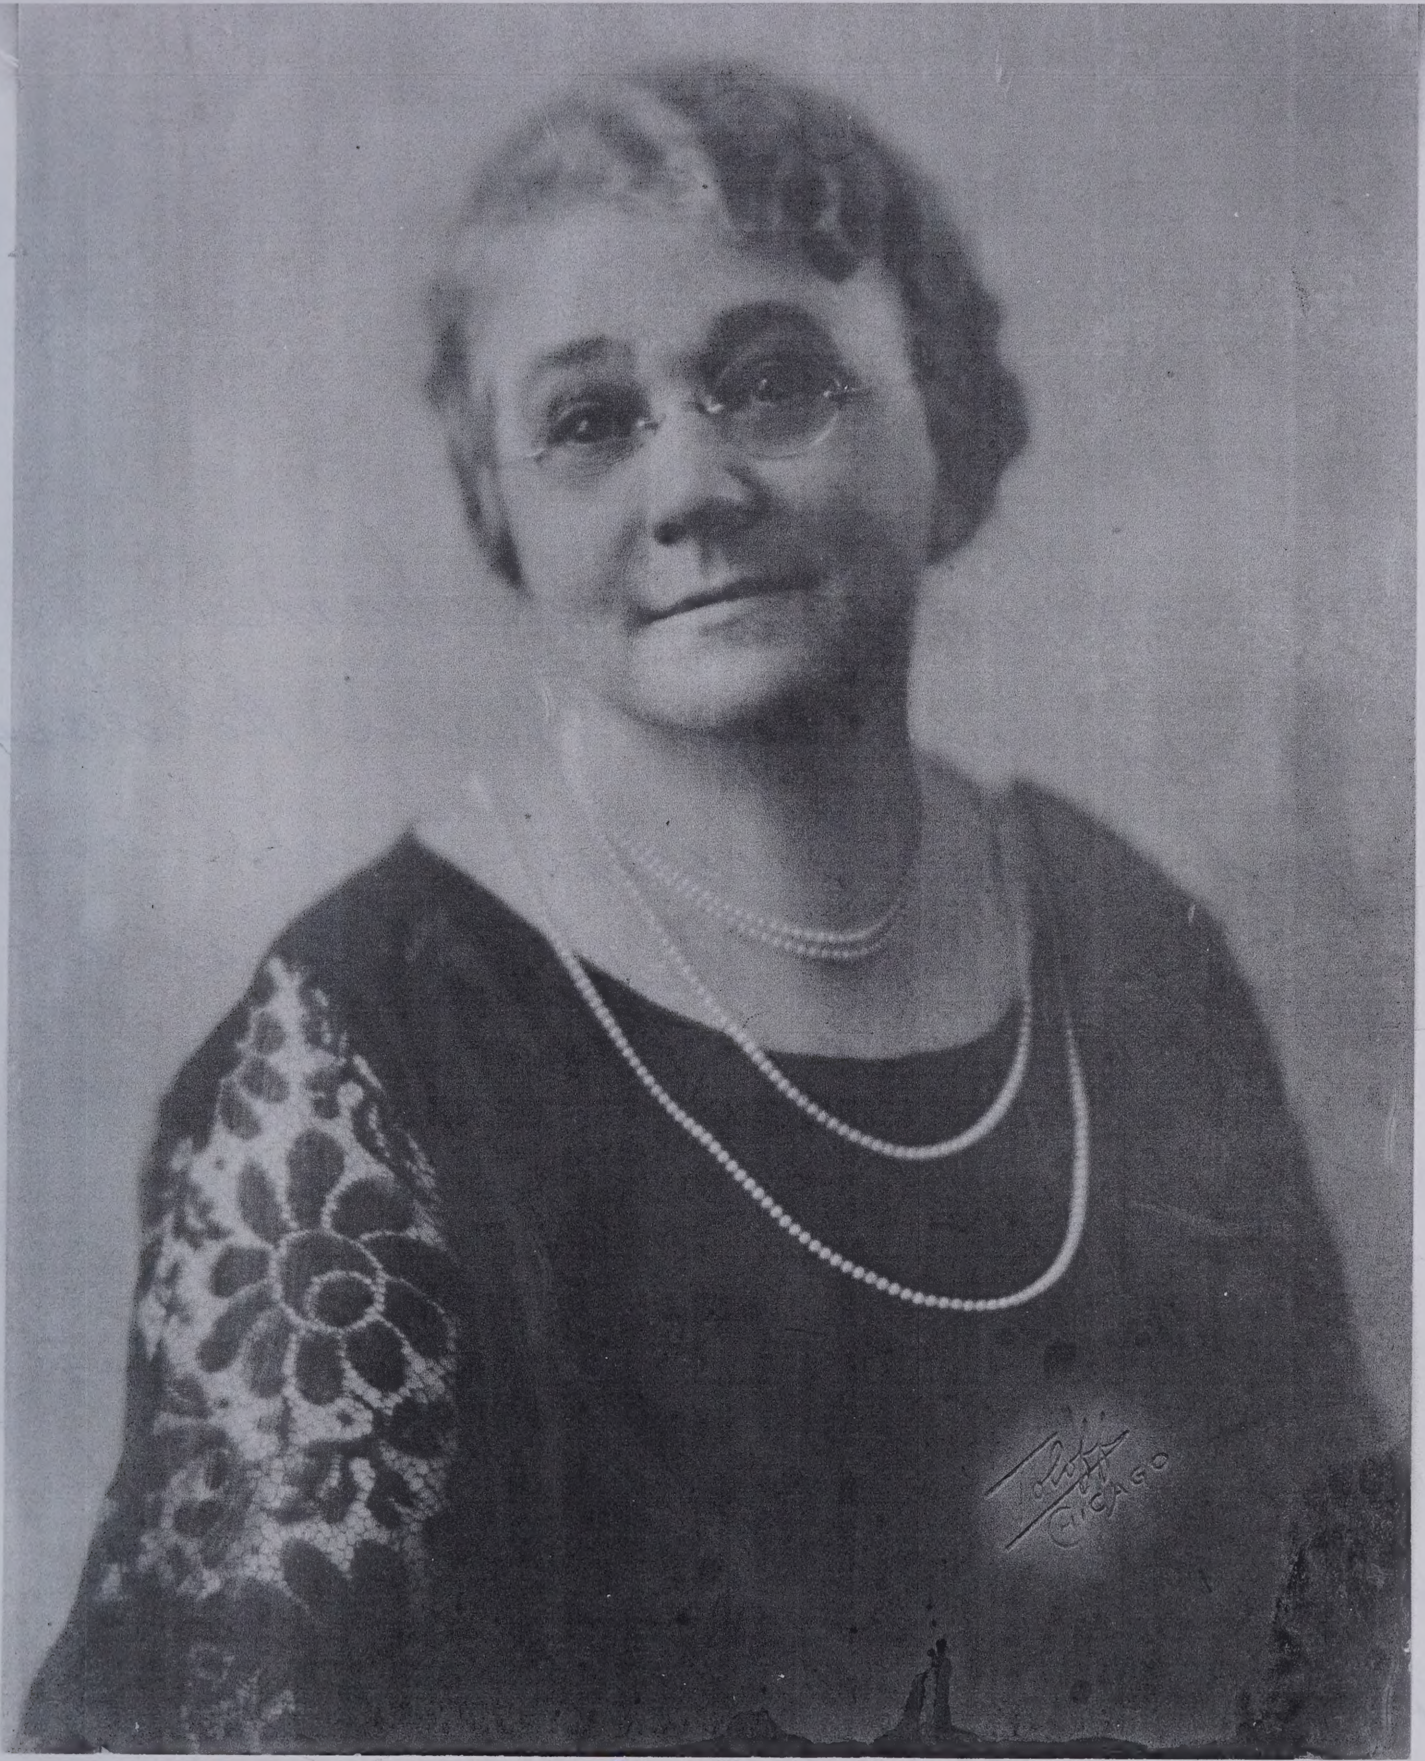
kodak XTRALIFE PAPER



John Meacham
Born June 1853
Died 1947
in Arkansas - Buried in Chicago in Cedar Park

John Meacham's life was very interesting. His major endeavors were teaching, then became a pharmacist with his own drug store first in Waukomis and then El Reno. They then moved Ok City - I assume he worked as a pharmacist. In 1918, they moved to Chicago where he became an optician for the balance of his working life.



Ella Person Meacham
Born: March 1857
Died: 1934
Buried: Cedar Park Cemetary, Chicago

Grandma Meacham sewed socks for Union soldiers and when President Lincoln was assinated his body taken on a train through the New England states and she saw that.

She was a pioneer woman who, while traveling by conestoga wagon lost one of her babies because of the water. And, once the claim was staked, Granpa went to teach school in Iowa and Gramma held the claim with her children - oldest 9 yrs. The Indians nearby were helpful to her.

Hi Mary,

Thanks for the latest information you sent. I have been patiently waiting for someone to tell me what went on at the reunion- list of people who attended, who you gave copies to, and anything else interesting. I did hear from you by phone and thank you

Do you have an address for Irene Gerber Metzinger? .Did she get a copy of the data you had? I would like to try to get some information on the spouses of her children.

I am enclosing some late information I received from Germany on the Descendants of Johann, and also some info on Theobald Schilling, and Mathais Schultz which you may not have..

I have been very busy with the family history lately due to some excellent contacts I made on the internet. One, a Doctor Fritz Metzinger from the French branch of the Metzinger family- we haven't been able to tie us together yet but hopefully will, sent me a book that lists all the inhabitants of the towns of Groß- und Kerprichhemersdorf from which I managed to increase our knowledge of the family by about 700 people. In addition from some other information he sent I was able to contact a Herbert Abt who is a 7th cousin to me and he also sent me information after I wrote to him. If only I could get such cooperation from the family here in the states. I must have sent at least 20 letters out with SASE's or Prestamped post cards and did not get one answer yet- it has been 3 months for some. It may be that since my name isn't Metzinger they are leery of answering. I could send some addresses to you if you think you could get a better response.

What is your sisters address. I will mail her disks with all the latest information if you will tell me what word processing program they use. Are they on the internet? Are they using any kind of genealogical program. If they are I could send Gedcom files which will probably be able to be read into their programs directly.

Do you know who might have a list of the attendees to the reunion in Caldwell? Let me know and I will write directly to them.

Good luck, God Bless, and stay happy.

25 Feb 1997

Dear Bob,

The Metzinger reunion was really just a gathering for lunch and did not involve a day long gathering. We just ate and visited for a short while. Some were interested in the Metzinger information that I took and glanced through the material. Several took blank family group sheets and were to mail them to me...which did not happen. There was a sign-in notebook, but I have no idea who has that book. I would guess Mary McCorgary would probably know where the book can be found.

I cannot imagine who the Internet person can be that is working on the Sproat-Metzinger family. I have been unable to get the Sproats to even send me their birthdate! That is amazing.

I have had contact with Rosemary Claire Roth Moore of Great Bend, KS. She is the daughter of Peter Roth and Mary Helen Greives and granddaughter of Herman and Rose Metzinger Grieves. I have talked to her on the telephone and sent her family groups sheets. I wanted her to add the necessary dates and locations, but the contact was not very successful. As you will see by the enclosed material, I do have a few additional names and dates. The most important one "corrects" the death date of Peter Roth, Rosemary's father. He died in 1975, not 1931.

Do you want additional information on the Schilling family? I seem to have more information than your last update to me. I have recently found, on IGI, the following:

Baptism
17 Apr 1776
Sankt Stephan Katholisch
Mainz, Rheinhessen, Hessen

THEOBALDUS SCHILLING
Father: Davidis Schilling
Mother: M. Magdalena Conrad

The baptism date of this Theobaldus Schilling would seem to have his age about 28 years in 1804 when my Michael was born at St. Ingbert. I have not ordered the records for Sankt Stephan's Church from the LDS Library. I am involved in a couple of projects at this time and unable to devote my time to reading the film. Will do it at the end of April.

Have nothing additional at this time, except the enclosed.

Sincerely -

Mary

Tecumseh school board keeps Wilsie

By Kristen Armstrong
SNS Reporter

The Tecumseh Board of Education hired Superintendent Tom Wilsie for the 2005-06 school year Monday, and agreed to participate in a joint meeting with the Tecumseh City Council over the Tecumseh Youth Program.

Wilsie is entering the second year of a three-year contract. Under his contract, his salary is linked to the state Legislature's teacher pay scale. The scale is determined on years with the district and education level. A position increase is also factored in, he said.

Wilsie's base salary for 2004-05 is $81,657.20. He also receives $69 for group term life insurance; $6,693.39 for teacher's retirement; $600 monthly automobile compensation; $1,278.23 credit on teacher's retirement; and sundry expenses.

In other business, the board voted to attend the joint meeting with the city council, scheduled for 7 p.m. Jan. 17 in the city council chambers. The meeting concerns a contract with the Tecumseh Youth Association.

It was the board's discretion to attend as an official body. All were interested in attending the meeting, but because of Oklahoma Open Meetings Law, a special meeting is required.

“Maybe this way it will be a positive meeting...building blocks for future plans,” said Keith Hayes, board vice president.

There were some questions over what the Youth League is asking the board to do; Hayes said, “I think a lot of it (is) they just want some guidance.”

Board President Robert Mayo said, “I think we're all in agreement that we want to help all we can, but we've got to take care of ourselves too.”

Also, votes were tallied Monday for the annual President's and Lola C. Durham teacher recognition award nominees. The teachers are nominated by peers and selected for awards by a vote of the school board, a chamber of commerce representative and alumni association representative.

Winners of the Lola C. Durham Award are: Colette McClure of Barnard School; Judy Spencer of Central Oklahoma Juvenile Center; Terri Williams of Cross Timbers Elementary; and Virginia Weir of Tecumseh High School.

Winners of the President's Award are: Wes Munson of Tecumseh Middle School; Luetta Edwards of Cross Timbers; Stephanie Flurry of TMS; and Brad Nunnely of Krouch Early Childhood Center, TMS and THS.

The recipients will be recognized at a spring chamber of commerce banquet.

In other business, the board voted to allow advertising for bids on roofing projects at Cross Timbers, Tecumseh High School and the Alumni Center. The board voted to have those bids received and opened on Feb. 14, the next regular meeting.

An out-of-state trip request for the THS pom/dance team to attend a national competition Jan. 21-23 in Dallas, Tex. was approved; a 1996 Ford F-350 agricultural education truck was declared surplus.

iii **JOHANNES M METZINGER** #624 born 01 JAN 1834, Mittelbexbach Kingdom Of Bavaria,[12] Baptized: 03 JAN 1834, Mittelbexbach Catholic Church, Occupation: Miner-Farmer, married 13 AUG 1857, in St Bartholomew Ch Brockton Sch Co Pa,[13] **MARY MAGDALENA SCHILLING** #3101, born 06 MAR 1840, St Ingbert Germany,[14] (daughter of **MICHAEL SCHILLING** #3692 and **ELISABETH ZENTZ** #3693) died 07 SEP 1905, Dunnington Benton County Indiana,[15] Buried: 09 SEP 1905, St Mary Cemetery Dunnington Indiana.[16] JOHANNES died 17 MAR 1886, Dunnington Benton County Indiana,[15] Buried: St Mary Cemetery Dunnington Indiana. JOHANN immigrated to America in 1852 in order to escape conscription into the Army. He settled in Locustdale Schuylkill County Pa and worked in the anthracite coal mines. In 1868 he moved to Chicago Illinois along with his brother HEINRICH (Henry) where they owned several meat markets which they later sold to Armour Brothers. St Bartholomew Church could not find a record of the marriage in answer to a query in Dec 1994. Living in Parish Grove Township Benton Co Indiana in 1880. JOHANN arrived in the U S on the Ship Gallia from Le Havre France with his uncle JOHANN JACOB and his family landing in New York 22 APR 1852. His passport describes him as being 5 ft 7 in tall, brown hair, brown eyes, clean shaven with a round face and of a healthy complexion with no identifying marks. Moved to Parish Grove Township in 1869. JOHANNES was the 2nd son of JOHANNES MARTIN and CATHARINA SCHULZ METZINGER. According to a family history told to his daughter CELE by AUGUST (GUS) METZINGER when he was 97 years old (1969) each son was sent to America upon reaching the age of 17 to escape conscription into the Army since their father did not believe in the military system. Upon arrival in America all sons, as did almost all of the Metzingers who came to this country, settled in the Pottsville Schuylkill County Pennsylvania area where they became coal miners. Upon receipt of a letter from their mother in 1857 that their father was ill and that she wanted one of them to return the three boys drew straws to see who would go. MARTIN was selected. JOHANNES moved to Chicago Illinois around 1868 where he owned several meat markets with a Mr Hauck. His brothers HEINRICH and MARTIN had joined him in Chicago and helped in the management of them. After several months Armour Brothers bought them out and the three brothers went by train to Sheldon Illinois where they contacted a land agent who took them to Benton County Indiana where each bought 80 acres at a price of $9.00 an acre in what is now the Dunnington area. In the spring of 1870 they moved from Chicago to Benton County with each one having a wagon with his family and belongings. The trip took three days. They lived in their overturned wagons until such time as they could build houses. They built a 2 room house with a loft which was used as bedrooms. (This is a typical house of the German immigrants and a restored house of this type can be seen at the HERR house in Lancaster

County Pennsylvania. There were no roads in the county at the time and the nearest trading center was Sheldon Illinois and since money was tight at the time everything bought was by cash no credit. Farm implements were in short supply and were hard to get. On one occasion he and his brother HEINRICH went to Shelton Illinois on business and to get supplies and that evening while coming home were caught in a snowstorm and became lost. After driving for some time they found an empty hunters cabin where they stayed for the night. They had bought a stove and some coal in Sheldon so were able to use this for heat during the night. After a few years of these hardships more settlers moved into the Benton Co area, among them were the Dunns, Woodlocks, Conners, Finnleys and Freelands. Roads and bridges were built and the County was fast becoming settled. The story about their mother asking that one of the boys return home when their father was ill raises a question as to why she would need one of them since her oldest son PETER was still living in Mittelbexbach at the time and was unmarried.Godparents were JOHN SCHULZ and ELISABETHA NIEDER.

MARY: MAGDALENE was a widow in 1900 and had a boarder FRANK YENFER born in Penna age 27 living with her. 1900 census says she had 14 children with only 4 still alive in 1900. MAGDALENE died from paralysis. See Report on descendants of THEOBALD SCHILLING for more on ancestors and relatives of MAGDALENE. Immigrated 1844.

iv **MARTIN METZINGER** #625 born 18 FEB 1836, Mittelbexbach Kingdom Of Bavaria,[17] Baptized: 19 FEB 1836, Mittelbexbach Catholic Church, married (1) 15 APR 1865, in Mittelbexbach Kingdom Of Bavaria,[11] **CATHARINA (KATHARINA) OMLOR** #626, born 25 FEB 1841, Frankenholz Germany,[11] Baptized: FEB 1841, St Martin Church Mittelbexbach, (daughter of **JOHANN JACOB OMLOR** #2008 and **MARGARETHA OMLOR** #2009) Occupation: Homemaker, died 09 OCT 1876, Dunnington Benton County Indiana,[15] Buried: St Mary Cemetery Dunnington Indiana, married (2) 19 OCT 1878, in Indiana,[18] **MARIA (MARY) OMLOR** #3872, born 13 APR 1843, Frankenholz Germany,[19] (daughter of **JOHANN OMLOR** #5924 and **MARIA ELISABETH LIEBLANG** #5930) died 17 AUG 1935, Benton County Indiana,[15] Buried: 20 AUG 1935, St Mary Cemetery Dunnington Indiana.[16] MARTIN died 23 DEC 1905, Ambia Benton County Indiana,[20] Buried: 26 DEC 1905, St Mary Cemetery Dunnington Indiana.[16] MARTIN was the 4th son of JOHANNES MARTIN and CATHARINA SCHULZ METZINGER. According to a family history told to his daughter CELE by AUGUST (GUS) METZINGER when he was 97 years old (1969) each son was sent to America upon reaching the age of 17 to escape conscription into the Army since their father did not believe in the military system. Upon arrival in America all sons, as did almost all of the Metzingers who came to this country, settled in the Pottsville Schuylkill County Pennsylvania area where they became coal miners. Upon receipt of a letter from their mother in 1857 that their father was ill and that she wanted one of them to return the three boys drew straws to see who would go. MARTIN was selected. He arrived back in Mittelbexbach in Dec 1857 and 9 days later his father died. MARTIN was inducted into the army in January 1858 into the Royal Third Uhlangen Light Cavalry Regiment. According to German records he was discharged from this Regiment on March 3 1864 and under German law was then free to marry.(Only those men who had served their time in the army were allowed to marry). MARTIN and CATHARINA OMLOR were married in a civil ceremony with his mother present on 15 April 1865. His mother died 07 November 1865 and four years later in 1869 (ACCORDING TO GERMAN RECORDS) emigrated to America with their sons MARTIN G and LUDWIG one year old. LUDWIG died on the voyage and is supposedly buried in New York City. A son CARL had died at age 11 months before the family emigrated. MARY OMLOR, a cousin of CATHARINA also emigrated with them and later married MARTIN upon the death of CATHARINA. Upon arrival in America they went to Chicago Illinois to meet his brothers JOHANN and HEINRICH. JOHANN together with a Mr Hauck at this time owned 7 meat markets in the Chicago area and MARTIN managed one of them. After several months Armour Brothers bought them out and the three brothers went by train to Sheldon Illinois where they contacted a land agent who took them to Benton County Indiana where each bought 80 acres at a price of $9.00 an acre in what is now the Dunnington area. In the spring of 1870 they moved from Chicago to Benton County with each one having a wagon with his family and belongings. The trip took three days. They lived in their overturned wagons until such time as they could build houses. MARTIN built a 2 room house with a loft which was used as bedrooms. (This is a typical house of the German immigrants and a restored house of this type can be seen at HERR house in Lancaster County Pennsylvania. There were no roads in the county at the time and the nearest trading center was Sheldon Illinois and since money was tight at the time everything bought was by cash no credit. Farm implements were in short supply and were hard to get. SEE THE REPORT ON THE FAMILY OF MICHAEL OMLOR FOR MORE ON THE ANCESTORS OF CATHARINA AND MARIA. The story that his mother requested one of the boys to return home to Germany due to the illness of their father raises a question as to why she would need them since her oldest son PETER was still in Mittelbexbach and unmarried at the time. Godparents were MARTIN METZINGER and WILHELMINA BLATT.

CATHARINA: CATHERINA was the first person to be buried in St Mary's Cemetery Dunnington Benton County Indiana. She died after falling into a well when the board cover broke and being in waist deep water for some time before being pulled out. Not long after this ELIZABETH was born but CATHARINA never recovered. There is a conflict in dates in the Benton Co History in that they state ELISABETH was born two weeks before CATHERINE died which would make her death 09 April not 09 October.

MARIA: Living with her son GEORGE in 1920. MARIA died of cancer. See the report on MICHAEL OMLOR b. ca 1700 for more on the ancestors and relatives of MARIA and CATHARINA.

v **ELISABETH METZINGER** #629 born 09 MAR 1838, Mittelbexbach Kingdom Of Bavaria,[11] Baptized: 11 MAR 1838, St Martin Church Mittelbexbach, died 21 SEP 1852, Mittelbexbach Kingdom Of Bavaria,[11] Buried: 23 SEP 1852, Mittelbexbach Cemetery. ELISABETH died as a child of 14 years 6 months. Godparents were ELISABETHA MARTIN and FRANSISCUS SCHULZ.

vi **BARBARA METZINGER** #630 born 30 AUG 1840, Mittelbexbach Kingdom Of Bavaria,[11] Baptized: 06 SEP 1840, St Martin Church Mittelbexbach, died 09 JAN 1842, Mittelbexbach Kingdom Of Bavaria,[11] Buried: 11 JAN 1842, Mittelbexbach Cemetery. Twin with HEINRICH. BARBARA died as a child of 1 year 5 months. Godparents were HEINRICH METZINGER and BARBARA MATTHIEUX. Church records from St Martin's say she was only 3 months old???? when she died.

vii **HEINRICH METZINGER** #631 born 30 AUG 1840, Mittelbexbach Kingdom Of Bavaria,[21] Baptized: SEP 1840, St Martin Church Mittelbexbach, Occupation: Farmer, married 22 APR 1869, in Chicago Cook County Illinois,[22] License 41850, Chicago Cook County Illinois, **MARY M THENO** #3732, born SEP 1849, Sellingen Duchy of Luxembourg,[23] (daughter of ______ **THENO** #4633 and ______ ______ #4634) died 07 OCT 1918, Fowler Benton County Indiana,[18] Buried: St Mary Cemetery Dunnington Indiana. HEINRICH died 11 AUG 1914, Benton County Indiana,[15] Buried: 13 AUG 1914, St Mary Cemetery Dunnington Indiana.[16] HEINRICH was the 5th son of JOHANNES MARTIN and CATHERINA SCHULZ METZINGER. According to a family history told by AUGUST (GUS) to his daughter CELE when he was 97 years old (1969) each boy was sent to America at the age of 17 in order to avoid the forced military service instituted by the King of Bavaria in his war with the French. (This part of his story is proven wrong since HEINRICH emigrated in 1867 according to German emigration records for the town of Mittelbexbach (later called Bexbach) at the age of 27 years). HEINRICH himself stated in his application for citizenship that he arrived in the United States from Havre France on 13 April 1867). Upon arrival in this country HEINRICH, as did almost all of the Metzinger family, settled in the Schuylkill County Pennsylvania vicinity and worked in the anthracite coal mines. HEINRICH lived with his brother JOHANN and his wife MAGDALENA in Mahanoy City Pa for a short time before leaving for Mineral Point Wisconsin where he worked on a farm and fed cattle in winter. According to his last surviving son NICHOLAS, one winter while cutting wood for fuel a caravan of Indians came along and asked for some tobacco which he gave to them. Upon filling their pipes they quickly loaded his wagon with the wood he had cut, thanked him and went on their way. In the spring he left Wisconsin and moved to McHenry County Illinois and worked as a farmhand. When the corn harvest was over that fall he lost his job and went to Chicago where he worked in a saloon for his room and board. He later obtained work in a lumberyard and met MARY THENO in 1869 and subsequently married. By this time his brother JOHANNES had also come west to Chicago and owned several meat markets along with a Mr Hauck. His other brother MARTIN had by this time returned from Germany with his wife and two children and the three brothers after giving the matter some thought decided that they would rather return to farming for a living.

They went by train to Sheldon Illinois where they contacted a land agent who took them to Benton County Indiana where each one purchased 80 acres of land at a price of $9.00 an acre. In the spring of 1870 they moved from Chicago, each one having his own wagon for his family and all their goods including farming implements which they were taking with them. The trip took three days and upon arrival in the Benton area they lived in the upturned wagons until they could get houses built. They built typical German immigrant houses consisting of two rooms on the first floor and a loft area which was used as bedrooms. (A house of this type can be seen in Lancaster County Pennsylvania at the Hans Herr House near Willow Street Pa). There were no roads in the county at this time and the nearest trading center was in Sheldon Illinois. Since money was tight at the time as a result of the Civil War, everything had to be bought for cash. There was no credit given. Farm implements were in short supply also and since HEINRICH only had two horses he could not plow all 80 acres the first year. He planted his first corn crop on a portion of the acreage by making a hole in the overturned sod and having his wife drop a few grains of seed in each hole. The corn he had to spare he sold to a Mr Summers who was a cattle feeder from Earl Park Indiana. On one occasion he and his brother JOHANN went to Sheldon on business and to buy supplies. On the return trip they were caught in a snowstorm and became lost. Finding an empty hunters cabin and having bought a coal stove in Sheldon they were able to keep warm over night. On another occasion while coming home before there was a bridge over Sugar Creek his team broke through the ice and HEINRICH had to wade in front of the team and break ice with a single tree from the wagon. After a few years of these types of hardships more settlers came to the area, roads and bridges were built and the County fast became settled. After living on the original homestead for some years HEINRICH sold to a Mr Finney who owned an adjacent farm and moved three and one half miles south and east to the farm eventually occupied by his grandson SYLVESTER GREIVES. This new farm was all prarie and HEINRICH had to break the sod once more. As the prarie sod was very tough he had to carry a file with him in order to sharpen the plowshares when he rested the horses. He also carried a club with which to kill the numerous snakes in the area. HENRY, as he was known now, raised a family of nine children and helped to establish the Roman Catholic parish in Dunnington. He was known in later years as "UNCLE HENRY" to his many friends and neighbors. The story that his mother wanted one of the boys to return to Germany due to the illness of their father raises the question as to why she would need them since her oldest son PETER was living in Mittelbexbach at the time and was unmarried. Godparents were HEINRICH METZINGER and BARBARA MATTHIEUX. Witnesses at marriage were GEORGE MEYER and CHRISTIAN KIRSCH. In the 1900 census he had had 10 children with only 5 still living then. Living in Parish Grove Township Benton Co Indiana in 1880 and in Hickory Grove Township in 1900. Had MINNIE FRANZ 15 living with them as a servant in 1900, and also a farm hand GEORGE GRIEVES age 23. 1910 census ____ -06-09-25 Benton Co Indiana living next to ROBERT SCHILLING. Naturalized 1896 Benton Co Indiana . HENRY died of cerebral hemorrhage according to the death certificate.

Dear Mrs. Nunneley:

In reviewing the grave removal permits which you obtained as cemetery contract representative for the Copan Lake project, I continue to be impressed by the excellent quality of your work. The thoroughness of your investigation assures me that every attempt was made to locate the next of kin, and the tact and diplomacy exercised by you in making these contacts resulted in sensitive work being completed without a single complaint or incident.

I therefore take this opportunity to commend you for the highly successful manner in which you completed your contract with the Government and to offer my sincere congratulations for a job well done.

Sincerely yours,
